

Mr. Snowman Maker™

A New Spin On Snowman Making

The ingenuity of Mr. Snowman Maker's design makes this Patent Pending innovation the best new product in winter toys since the sled. Enjoyed by both children and parents, it's a fun way to make a snowman regardless of snow conditions. It encourages kids to get off their electronics and be more active outdoors during the winter months, it helps nourish their creativity, imagination, and helps to further develop skills. Mr. Snowman Maker is made from child-safe HDPE plastic.
